**CHANGE
FOR LIFE
2022**

Celebrating 25 Years of Helping Families Succeed

Join our **Change for Life** Baby Bottle Campaign!

Your church or group can participate in this campaign at any time this year by giving online through our virtual event page, collecting change/cash/checks in baby bottles, or a combination of the two!

Visit event.fundeasy.com/22546 for more information and to register!

- If you want to create a team for your church, group, or family, click the "Participate" button to add your organization! A custom webpage will automatically be created for you to share.
- If you want to donate but are not affiliated with a team and do not wish to create one, click "Give," choose the TryLife Center "Fundraiser" from the list, and donate through our team.
- If you prefer filling traditional baby bottles, or want to host a hybrid campaign, call the Center for more information. The amount raised offline through traditional baby bottles can be added to your team total.

Our goal is to raise **\$25,000** to celebrate our 25th anniversary of helping families succeed! 100% of the funds raised through our Baby Bottle Campaign directly support our Parent and Baby Program.

*Call us at **724-339-9399** if you want to pick up baby bottles or if you would like someone from TryLife Center to come speak at your church or group.*
